Rescuing Leftover Cuisine, Inc. ("RLC") is a non-profit organization that rescues leftover food from restaurants, bakeries, corporations and universities and distributes it to where it is needed most: the local hungry. As a volunteer you will contribute to alleviating food waste and food hunger in NYC by helping us deliver food from our partners to local homeless shelters, soup kitchens and churches.

\_\_\_\_\_, a minor, wishes to participate as a RLC volunteer. As the minor's legal parent/guardian, I hereby give consent for him/her to participate as a volunteer. I understand the nature of RLC's volunteer activities and believe that he/she is qualified to participate as a volunteer. I agree to indemnify and hold harmless RLC, its officers, employees or agents from any and all liability from damages, loss, or injuries, either to person or property, which may occur from volunteer activity.

I understand that he/she may be photographed during the course of the volunteer activity. I hereby grant full and unlimited permission to RLC to use the minor's name and photographs or other record of volunteer activity, which may be used for promotion and publicity.
